

GOOD CASES WE HAVE LEARNED AND EXPERIENCED THANKS TO WOMEN IN STEM SCHOLARSHIP

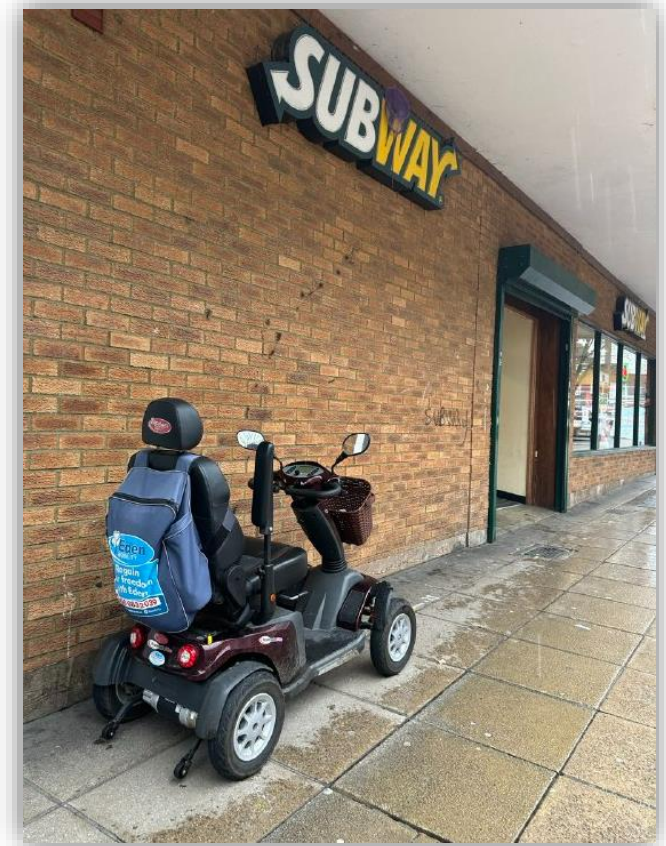

Tatyana An, Azizakhon Turakhujaeva

- ❖ British Council Women in STEM scholars
- ❖ University of Portsmouth
- ❖ MSc in Engineering management

AGENDA

- Additional Support and Disability Advice Centre
- Study resources
- Learning management system
- Convenient Facilities
- Funding support
- Best practices that we want to be used in Uzbekistan

ADDITIONAL SUPPORT AND DISABILITY ADVICE CENTRE (ASDAC)

Adjustments will depend on students' individual needs. Possible reasonable adjustments include:

- Course materials in alternative formats
- Access to assistive technology
- Timetabling adjustments to help improve access
- Specialist support to develop study skills strategies
- Extra time during timed assessments

ASDAC STUDY RESOURCES

The Additional Support and Disability Advice Centre (ASDAC) can help students access specialist study skills and strategies tutors, assistive technology tutors and study skills resources.

❖ Being Study Ready

- ▶ Independent Learning
- ▶ Organisation and time management
- ▶ Research and Reading
- ▶ Making Notes
- ▶ Referencing
- ▶ Getting the most from lectures
- ▶ Thinking critically
- ▶ Writing academically

❖ Assignments

- ▶ Steps to Writing an Assignment
- ▶ Essays
- ▶ Reports
- ▶ Literature Reviews
- ▶ Presentations
- ▶ Exams and Memory
- ▶ Dissertations

❖ IT to Support Study

- ▶ Assistive Software - Why use it?
- ▶ Audio Notetaker
- ▶ Claro
- ▶ Glean
- ▶ Global Tasks
- ▶ Grammarly
- ▶ Inspiration
- ▶ MeisterTasks
- ▶ MindGenius 2018
- ▶ MindView
- ▶ Miro Whiteboard
- ▶ Natural Reader
- ▶ Orbit Note
- ▶ Read & Write
- ▶ Present Pal
- ▶ Pro-Study
- ▶ SimpleMind Desktop Windows
- ▶ Sonocent Link App
- ▶ Voice Recognition
- ▶ Word 365 Accessible Tools
- ▶ Apps for Study

Match the Sample Characteristics to the case

Case 1: Distribution plots of samples from two machines having the same setting, but different variation (accuracy).

Case 2: Distribution plots of two samples from same machine with different setting.

Sample Characteristics: Same variation, but different location of data

Sample Characteristics: Same location, but different data variation

$\mu_1 \neq \mu_2$

$\sigma_1 \neq \sigma_2$

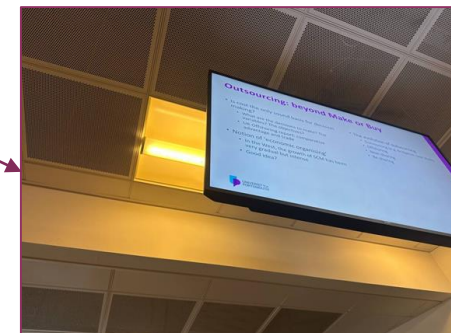

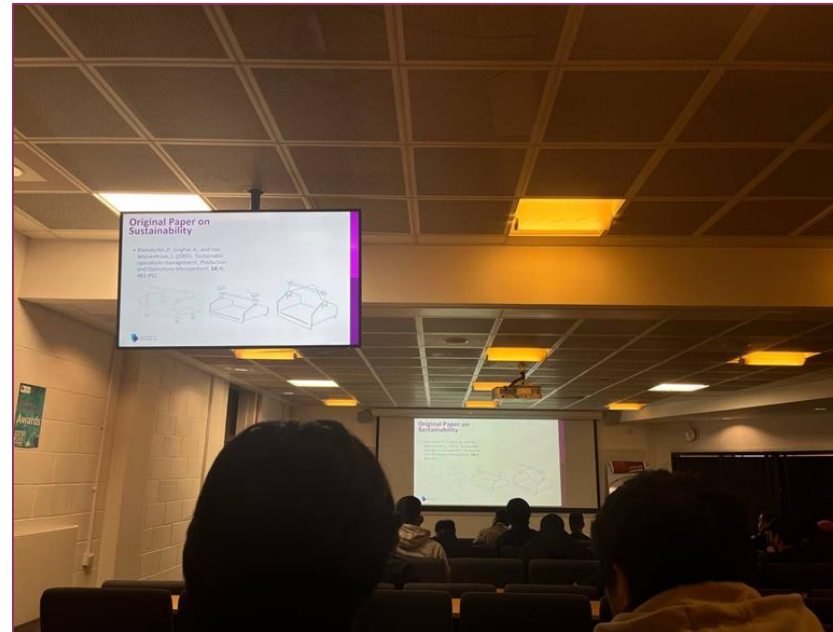

$\mu_1 = \mu_2$

FACILITIES BUILT FOR EVERYONE!

- ❖ Each building is equipped with bathrooms for ladies, males, and disabled people;
- ❖ Where needed, there are escalators for disabled students and staff;
- ❖ A special screen is provided at the end of the lecture room, beneficial for those with poor vision;
- ❖ There are designated areas in the buildings where inclusive individuals can receive additional support and advice.

FACILITIES BUILT FOR EVERYONE!

FUNDING SUPPORT

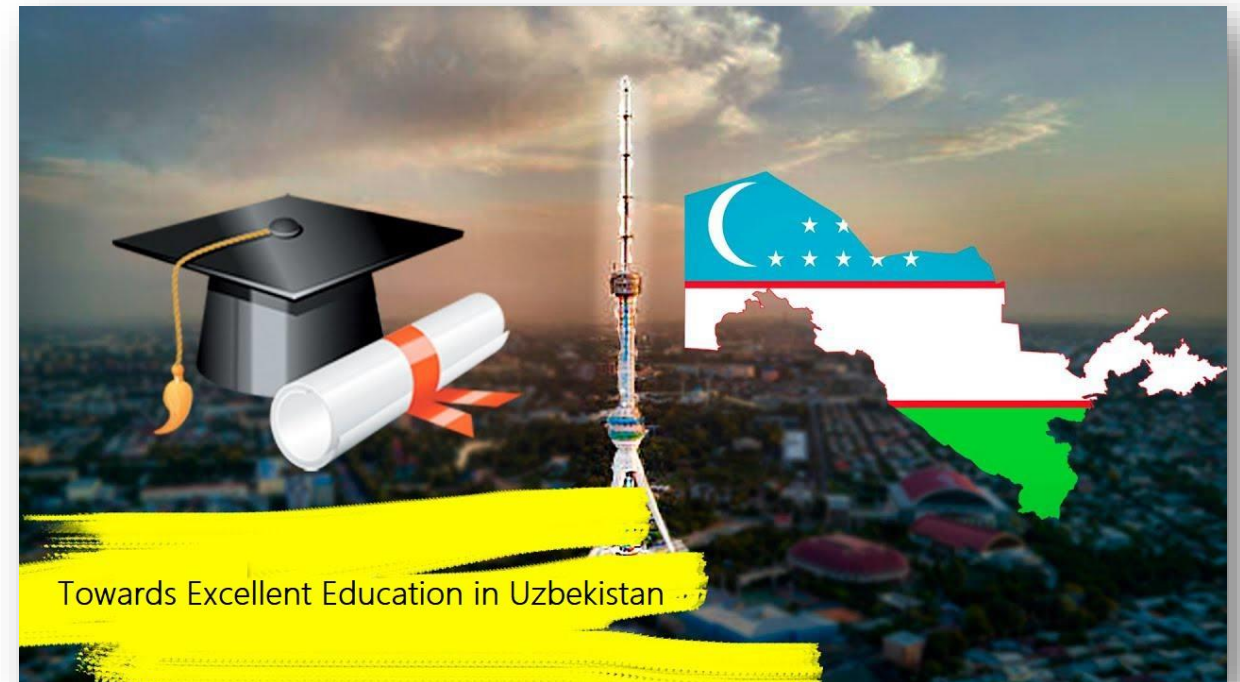

- Portsmouth university has its own dedicated access centre, Access Portsmouth, where a student can be assessed for the DSA-funded support.
- Advice on funding to cover disability-related support costs such as the Disabled Students' Allowance, degree apprenticeships and other additional funding.

BEST PRACTICES THAT WE WANT TO BE USED IN UZBEKISTAN

- Organise special departments in the universities that can help students in any situation (Students Union, University House, ASDAC);
- Moodle system: a huge difference in the implementation;
- Extra support services and staff while studying;
- Funding support – improvement of the accessibility to information about all types of bursaries (it is not a competition);
- People with disabilities can have the same opportunities as others in all aspects of life.

THANK YOU FOR YOUR ATTENTION!

WELCOME TO

The Student Wellbeing Service.
