

Academic conference

Navigating Change: Agricultural Sustainability and Rural Development in Central Asia

14-15 October 2025, Tashkent, Uzbekistan

Oral presentation and Poster guidelines

Oral presentation

Presentation duration:

- In 90-minutes sessions with 3 presentations: the maximum duration of a presentation is 20 minutes + 10 minutes for questions from the audience.
- In 90-minutes sessions with 4 presentations: the maximum duration of a presentation is 15 minutes + 7 minutes for questions from the audience.

A projector and computer (Windows, MS PowerPoint & Adobe Acrobat Reader) will be available in the session room for presentations. Please name your presentation file with **your surname**.

Presentation requirements: Presenters must arrive in their session room at least 10 minutes BEFORE the start of their session to report to the chair person. An assistant from the local organization will also be available for technical assistance.

The presenters must bring a Windows compatible USB stick with their presentation file in pptx-format. Files can be uploaded to the local PCs in the conference room during the breaks between the sessions. To avoid software compatibility problems, speakers are advised to bring a backup PDF-version of their presentation.

Poster presentation

The Poster Presentation sessions will take place during the lunch breaks of each day. Participants will circulate to hear your presentation and discuss your research. Poster presenters are expected standing next to their poster during the poster session and talk about their research when approached by conference participants.

All the posters will be attached for 2 days during the conference. Please setup your poster on Day 1 (October 14) before the start of the conference at 9:00am. Please ask about the location of poster sessions during the registration. The posters can be taken down at the end of the conference.

It is essential that posters are put up in the assigned place so that they can be easily reached by interested attendees.

Poster design: The poster should be printed in A0-sized paper. The poster format is portrait: 120cm (high) x 90cm (wide) and cannot be modified!
